ALLIANCE COMMUNICATIONS COOPERATIVE, INC.

Lifeline Terms and Conditions

Alliance Communications Cooperative, Inc. offers Lifeline program-supported service to qualified low-income residential consumers. The federal Lifeline and Minnesota Telephone Assistance Plan (TAP) programs provide monthly telephone service discounts on one telephone line or wireless telephone per household to eligible low-income consumers to help them establish and maintain telephone service by lowering the cost of basic, monthly local telephone service. The federal Lifeline monthly discount is typically between \$8 and \$10. The TAP provides an additional \$2.50 monthly discount on local telephone service. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline. Long distance blocking (either toll limitation or toll blocking) is available to eligible Lifeline consumers at no cost. Consumers who are eligible for Minnesota Telephone Discounts for landline service do not have to pay a deposit if they agree to block long distance service.

Lifeline Program Eligibility Information

A household is defined, for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses.
